

DIRECTIONS FROM SANTA FE TO FR 87 TURN-OFF (THE TURN-OFF/ ROAD TO THE BRAZOS RIVER RANCH)

- 1** From Santa Fe, head North on Route 84/285 (which is St. Francis Drive in town), up to Espanola; about 27 miles.
- 2** As you come into Espanola, go through the first 2 traffic lights. Keep your eye out for The Chimayo Trading Post on your left and a sign for Route 84/285. Just past The Chimayo Trading Post, take a left onto Route 84/285. Follow the signs for Ojo Caliente, Abiqui and Chama. Stay on 84/285 and head Northwest to Chili and the Chevron station; about 9 miles.
- 3** In Chili, keep your eye out for a Chevron gas station on the right. Just past the Chevron station will be the turn-off for Route 285 North. There will be a sign for Ojo Caliente and Antonito, Colo. You will be taking a right onto Route 285 North. Note: This the last sure spot to get gas before heading up to the ranch and you want to have as full a tank as possible while you are up there. **MAKE SURE YOU FILL UP YOUR VEHICLE AT THIS CHEVRON STATION BEFORE YOU CONTINUE ON TO THE RANCH!**
- 4** From the turn-off at the Chevron station head North on Route 285 to the four way cross (with Route 64) and the blinking light at Tres Piedras; about 48 miles.
- 5** Go through the four way cross and keep heading straight on Route 285 North. From here, it is about 11 miles to the turn-off onto Forest Road 87 (FR 87), which will be on the left/West side of Route 285. A landmark to keep an eye out for is San Antonio Mountain, which is a big round mountain on the left/West side of Route 285 just past/North of the turn-off for FR 87. Also, keep an eye out for Mile Marker 394 on the right/East side of Route 285. FR 87 is just past/North of Mile Marker 394. Take a left onto FR 87. From this point on the roads are dirt, all the way to the Brazos River Ranch.
